

Adverbs Answer Key

This worksheet reviews adverbs of manner.

Students are to underline every verb and circle every adverb in the sentences, then draw arrows from the adverbs to the verbs they modify.

1. Uncle Buster impatiently tapped his foot.

2. Jersey mounted her horse and rode fast across the plain.

3. The pigs hungrily gobbled their food then lay down.

4. Abigail drove straight to the hospital.

5. The snow fell softly to the ground.

6. Troy carefully carried the baby bird then placed it in the box.

7. Jasmine sang well and won the competition.
